About This Game

Heroes of SoulCraft (HoS) is the best Arcade MOBA. Play a great MOBA in max 5 or 15 minutes on your PC, mobile phone or tablet against each other with mouse, gamepad or mouse/keyboard.

Heroes of SoulCraft (HoS) is an Arcade MOBA in which 2 teams fight against each other in fast-paced, tactical matches full of action and fun.

- Angels vs. Demons team battles in quick, tactical games full of action and fun
- If you like our previous games SoulCraft 1 & 2 you will love Heroes of SoulCraft
- Play 5 or 15 minutes with instant matchmaking.
- Need to leave the game early? No problem - we will join a new player into the running game.

Choose your hero

- Select one of 12+ heroes: play the melee dwarf "furious axe" Grimnor, the range fighter "loose cannon" Keely, the mage supporter "flower princess" Dalia or many more.

Easy to learn

- Heroes of SoulCraft makes it very easy to learn the basics within a minute. Over time you can choose to do more things manually like skilling or item-buying for the full MOBA experience.

Unleash your titan

- Ever wanted to take a huge fire dragon or a big rock golem into the battle? Now you can! Choose your titan to accompany you and customize your Hero by pre-configuring your item-deck.

Heroes of SoulCraft is now available as a first Alpha Version. Download now for free on Android or Windows and help us improve the game by giving us feedback in the forums.

b4d347fde0

Minimum:

OS: Windows 7

Processor: 1 Ghz

Memory: 1 GB RAM

Storage: 200 MB available space

English,French,German,Portuguese,Russian

Honestly overall its a fun game - I wouldn't hate the game if you haven't played much of it. It is for the tablet but who cares. I have only played about 5 hours and I think its really addicting if you have a decent team.. This game made it lag to were it was always playing. Apparently i played 137 hours but I never did. I dislike this game strongly
